

**General Information, rental conditions – FIS-ATO-Europe SL
Fly-in-Spain Training-Center-Jerez**

The annual customer-fee is 50.- Euros. This includes the briefing for flying in Spain, Airport procedures in Jerez and the approach charts (on loan whilst you are with us) and all the small things to make your stay a pleasant one with us.

Arriving

Please have a look at our website, and at the Pilot briefing we send you with the confirmation of the booking ,(the content is part of the contract you agree to..) and take a copy of the Airport location in Jerez with you, which will show you how to find our office. Please bring your Passport with you and Please send us also a copy when sending this confirmation.

Insurance

Please bring your credit card with you, and make sure that the card has enough coverage for the insurance deposit
Our SEP planes have an Insurance Excess of 2500.- Euro of the hull insurance. The relevant amount of Euros will be taken on your credit card as a deposit. We will keep this to the end of the rental/flying/training period. Without this, there will be no flying and this will be treated like a cancellation. If there is any damage to the aircraft, which is deemed the responsibility of the renter, we will retain the deposit as insurance excess. In the event of an outstanding balance of the client, we reserve the right to us, to settle the account using the credit card details provided and the deposit of the insurance. If the account is clear at the time of departure and there is no damage to the aircraft, then the deposit will be handed back to the client.

Costs and Billing

All Services have to be part of this agreement/booking - all agreements have to be made in writing. All prices on this booking form are for this stated booking period only. The published prices on our web site are only examples and they can differ to this booking. The billing of all the flying hours is on block time. Required extended briefing for the Student/Pilot over 15 min/ flight will be charged as Ground School. At the start of all flying with us, there has to be a down payment on your account.

The customer has the obligation to keep his "Flying Account" in positive.

Without credit (positive account) there will be no flying and can lead to a cancellation of the booking. The final payment will always be based on the actual service what the client received or booked, or on the package or service of the booking as on the contract content.

The rental price for the aircraft is based on the fuel prices at the time of booking. If there is an increase of the fuel cost on the day of your AC rental (more than 5 cents/litre) we will add this to the hourly rental cost of the aircraft.

Landing fees in Jerez will be about 12,5€ for training, on our small AP about 6.-€ for an aircraft up to 2000kg. There are also fees for Airport transition flying from A to B according the AENA price list about 3-12€ per leg. Parking fee on airports outside of Jerez, 18,5.-€/day up to 1500kg and 25.5€ up to 2500kg TTW. Private Flights will have higher landing fees, from 15.-€ upwards, depending of the category of the airport. For solo supervised instruction flights the FI fee is always applicable.

Reservation

For reservation it is mandatory that we will receive this document signed with all details (including the credit card details) and the required down payment transferred to our account, or by paid by Credit Card. Only after that, the booking will be activated and confirmed. All offers sent out will have a maximum validity period of 6 days.

Fly where the sun shines...
